May 2014 Electronic BOD Meeting

There being no motions proposed for consideration for the May 2014 electronic meeting, no business will be conducted this month.

Mary Ann Wahlner, NAWCC Secretary

April 2014 Electronic BOD Meeting

MOTION: Made by Secretary Wahlner, seconded by Director Dempsey: To substitute the following for the motion carried in December:

ARTICLE XII. AMENDMENTS

Section 1. Definitions

Amendments to these Bylaws shall be categorized as either Major Amendments or Minor Amendments.

(a) Major Amendments

Major Amendments are those that affect Members' rights or change the organization or its mission in a substantial way.

(b) Minor Amendments

Minor Amendments are those that are technical in nature, such as Bylaws language cleanup, name or position changes, operational or methodology changes to meet regulations or improve efficiency, and other changes or improvements that do not fall into the Major Amendment category.

(c) Amendment Content

No amendment, Major or Minor, may include any proposal inconsistent with the Articles of Incorporation, Article 7.

Section 2. Amendment Proposals

Amendments may be proposed in two ways: (1) By a proposal made by a resolution passed by the Board, or (2) By a proposal made by Petition signed by at least five percent of the Members.

Section 3. Categorization of Proposed Amendments

Amendments shall be categorized by the Board as either Major Amendments or Minor Amendments. Upon proposal of an amendment to these bylaws, the Board shall first vote to determine whether the proposed amendment is either a Major Amendment or a Minor Amendment. A super majority of nine (9) affirmative votes of the full Board is required to categorize a proposed amendment as a Minor Amendment. Otherwise, the proposed amendment shall be categorized as a Major Amendment.

Section 4. Amendment Proposal Publication

Amendment proposals of both categories passed by the Board or received by Petition shall be published in the next available issue of the official NAWCC publication but not less than 30 days before the date of the next Regular Annual Meeting.

Section 5. Voting

(a) Minor Amendments

Minor Amendments proposed either by the Board or by Petition may be voted on by the Board, after a 30-day waiting period after publication, and will require a 2/3 majority for approval. If approved, Minor Amendments shall become effective immediately.

(b) Major Amendments

All Major Amendments proposed either by the Board or by Petition will be voted on by referendum of the Members, using Official Ballots for that purpose as defined in Article IV Section 5 of these Bylaws. Approval of any proposed Major Amendment will require a 2/3 majority of the valid ballots returned for counting to an independent Agent appointed by the Board, and if approved, will become effective immediately.

A vote shall be taken from the Members by ballot included in the appropriate issue of the official NAWCC publication and/or by other means as defined by the Board. The ballot will set forth the proposal for the Major Amendment, and be returnable to the Agent by the stated date, or such that the Agent's report is available to the Secretary not less than five (5) days before the date of the Regular Annual Meeting.

Section 6. Publication of Results

An announcement of all amendments adopted in the period since the most recent meeting of the Members, whether a Regular Annual Meeting or a Special Meeting, shall be made at the beginning of the next such meeting of the Members. The result of all amendments shall be published in the next available issue of the official NAWCC publication following receipt of the Agent's report or the Board's actions. (To be added to the 2015 Official Ballot.)
