| Total Investments | $2,125,469$ | $2,056,515$ | 68,954 |

*Consolidated Long-Term funds balance-Individual named account balances calculated.
The current values on investments reflect paper gains and losses due to market fluctuations. Because most of our fixed income investments are held to maturity, actual gains and losses will only occur at maturity or when an investment is sold.

At the end of each quarter, a full report of all departments will be prepared. The interim reports provide statistics related to membership, finances and investments.
