

Board of Directors, NAWCC
Attn: Ruth Overton, Chair

Dear Ruth,

This is to request that Chapter 50 hold the Pacific Northwest Regional on the dates identified below which coincide with the North Coast Regional.

Name of the Regionals: North Coast Regional, Ohio and Pacific Northwest Regional, Washington

Dates of the Regionals: The same dates or weekend - May 15-18, 2014

Anticipated number in Attendance: PNW Regional 350

Anticipated number of Tables: PNW regional 150

The Pacific Northwest Regional Committee has no objection to the North Coast Regional occurring on the same dates (May 15-18 or that weekend) since geographically the two sites are approximately 2500 miles apart.

Your consideration in this matter is appreciated.
