

April 2008

Dear Chapter President and NAWCC Members,

Included is the nomination form and information for recommending NAWCC members for the Fellow Award. The same form may be utilized for submitting a nomination for the Silver Star Fellow Award with the inclusion of the date the nominee was granted Fellow status. This should be listed in the award recognition section of the nomination form, and a notation should be made indicating nomination as a Silver Star Fellow at the top of the form. Please carefully follow the form as it allows for a concise submittal of information as to a nominee's qualifications, accomplishments and contributions at various levels that promote the goals and interest of the NAWCC and the field of Horology. Also included, as a part of the nomination package, is a guideline for the information that should be submitted for committee consideration. Please feel free to contact the committee member that represents your area or any of the other members for assistance in preparing your nomination. This information is also available under *Member Central, Member's Documents* on our website at www.nawcc.org.

Fellow Award nominations may be submitted by individuals or groups in the NAWCC on behalf of an outstanding member. These nominations should be sent to the Awards Chair. Nominations for the Silver Star Fellow Award should be discussed and coordinated through the current NAWCC Board of Directors Chair. Copies of a Silver Star Fellow nomination should be sent to both the NAWCC Board of Directors Chair and the Awards Chair.

Please carefully evaluate your members for those who perform at various levels above and beyond and should be recommended for consideration. Prepare and submit a thorough nomination form on their behalf. As a suggestion, it may be appropriate to solicit a committee or several members to help prepare the nomination form.

The NAWCC Fellow Award should be considered a prestigious award that carries with it the endorsement by other NAWCC members for recognition as an outstanding member of the organization. The Silver Star Fellow Award is even more prestigious and recognizes an NAWCC Fellow that has continued with additional outstanding service to the NAWCC and the membership.

Please send your nominations to the Awards Chair *and a copy to the Awards Committee member that represents your area*. The attached list shows the various committee members and the areas they represent. This committee member will research, verify and solicit any additional information or contact references, as necessary, to provide support for the nomination. Copies of each nomination are provided to all committee members for their evaluation and recommendation. A final committee recommendation is provided to the current NAWCC Board of Directors Chair for final action. This total process will require approximately 60 days to complete.

INFORMATION FOR NAWCC FELLOW AWARD NOMINATIONS

GENERAL

1. An effort should be made to keep nominations secret from the nominee until the presentation is made.
2. All nominations should be coordinated with your Chapter President, if that applies, and submitted to the National Awards Committee Chair or the Committee Member representing your area or chapter.
3. If a nominee does not receive the Fellow Award, the candidate is not eligible for re-nomination for two years.

PERSONAL

1. Must be a member in good standing for at least five years prior to nomination.
2. Demonstrate highest moral and ethical standards. Carry out NAWCC responsibility with integrity.

Other NAWCC Awards for individuals

For other awards, see the listing and criteria shown for each award on the NAWCC website www.nawcc.org.

NAWCC Gold and General Appreciation certificates for members

If you have members that do not meet the qualifications for the Fellow Award, but have provided outstanding services at any level that benefits and promotes the NAWCC and the membership, submit them for either a gold or general appreciation certificate.

The Gold Certificate should be submitted for those members that have met several of the qualifications for the Fellow Award, but are shy of extensive participation. This award should be considered for those that are contributing at a level that, with continued participation, will lead to a nomination for the Fellow Award.

The General Appreciation, should be submitted for those that have provided an outstanding service or services to the NAWCC and the membership that is notable for recognition above acknowledgement at the Chapter level.

Submit requests for these awards by utilizing the application form and filling out those areas that apply or providing a letter that outlines the contribution of the nominee. It is always important to have support from several members.

The requests for both certificates can be sent through the Awards Committee.

Regional Certificates for Chairmanships

These Regional certificates should be requested from NAWCC Headquarters in Columbia.

Thank you,

The NAWCC Awards Committee
